

# Environmental Policy

Established 1968

Dane Architectural Systems Ltd. specialises in the design, fabrication and installation of commercial aluminium curtain walling, windows, entrances, roof canopies, barrel vaults, shop frontages and glazed screens and architectural metalwork in mild and stainless steel.

Whilst the design and manufacturing facilities are based in the North East of England it's installation teams operate across the United Kingdom.

Protection of the environment in which we live and operate is part of Dane Architectural Systems Ltd's values and principles and we consider it to be sound business practice. Care for the environment is one of our key responsibilities and an important part of the way in which we do business.

In this policy statement we commit our company to:

- Complying with all relevant environmental legislation, regulations and approved codes of practice.
- Protecting the environment by striving to prevent and minimise our contribution to pollution of land, air, and water.
- Seeking to keep wastage to a minimum and maximise the efficient use of materials and resources.
- Managing and disposing of all waste in a responsible manner.
- Providing training for our staff so that we all work in accordance with this policy and within an environmentally aware culture.
- Regularly communicating our environmental performance to our employees and other significant stakeholders.
- Developing our management processes to ensure that environmental factors are considered during planning and implementation.

Aspect	Person Responsible
Waste Reduction/optimisation	Works Manager and/or Contract or Site Managers
Avoidance of Pollution	Works and/or Site Managers
Waste Management	Works and/or Site Managers
Environmental	Safety Manager
Development of Environmental Systems and Procedures	Safety Manager

- Monitoring and continuously improving our environmental performance.

The policy statement will be regularly reviewed and update as necessary. The management team endorses these policy statements and is fully committed to their implementation.
